

The East River Amateur Radio Club met for its annual Christmas dinner and meeting on Monday, December 4, 2017 at Bluefield Virginia's La Fiesta Fresh Restaurant and Cantina. There were 31 members and guests in attendance. ERARC President Matt Morris KC8LGS welcomed all to the dinner and his wife Kathy offered a blessing over our meals. We visited with one another and ate a great dinner. The Club collected donations for the Bluefield Union Mission and these were delivered to the Mission at 10am the following day (Tuesday). I'm not sure of the total amount as we left all donations in their envelopes and put any cash donations into separate envelopes. The Mission will mail us a thank-you note along with the total amount donated, as they did last year. There was no further business for the Club. The dinner/meeting was over by 0810pm.

The East River Amateur Club, Bluefield, WV, wishes you and yours a Merry Christmas and Happy New Year! May God bless us all that live on this rock called Earth and bless this rock itself. Bestest Best Wishes to all!

George E. "Hooger" Fisher III W4OF, ERARC Secretary

P.S. We are still collecting dues for the upcoming year. It's \$15 per member and \$1 additional for each member at the same mailing address.
